Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Kent County, Inc. as of August 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

UNITED WAY OF KENT COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended August 31, 2017 and 2016

NOTE 1 – NATURE OF ACTIVITIES

The United Way of Kent County, Inc. was incorporated in 1957 and qualifies as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code. Its single program is to raise and distribute funds to support charitable organizations in Kent County, Maryland. The United Way of Kent County, Inc. conducts an annual campaign fund drive that raises proceeds from individual donors and businesses. The main source of revenue is from contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a) Basis of accounting – The Organization’s policy is to prepare the financial statements on the accrual basis of accounting whereby revenues are recognized when they are earned and expenses are recognized when they are incurred.
- b) Basis of presentation – Financial statement presentation follows the recommendations of the Not-for Profit FASB *Accounting Standards Codification*. According to the FASB *Accounting Standards Codification*, the Organization is required to report information regarding its financial position, activities, and functional expenses according to the following three classes of net assets:
 - Unrestricted net assets – Net assets not subject to donor-imposed stipulations.
 - Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, by actions of the Organization, and/or the passage of time. When a restriction expires or the funds are expended, temporarily restricted assets are reclassified to unrestricted net assets and reported in the statement of revenues and expenses as net assets released from restrictions. However, the Organization utilizes the convention that if restricted funds are certain to be expended in the same year as they are received they are classified as unrestricted upon receipt.
 - Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently. Generally, donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

Amounts designated by donors for specific agencies are not to be treated as contributions and are excluded from revenue. The Organization recognizes a liability to the specific non-member agencies if remittance to this agency has not been made as of year-end.

- c) Cash and cash equivalents – The Organization considers all unrestricted liquid investments with an initial maturity of three months or less to be cash equivalents.

See independent auditor’s report.

UNITED WAY OF KENT COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended August 31, 2017 and 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – *continued*

- d) Pledges receivable and allowance for doubtful accounts – Pledges receivable are stated at the amount the Organization expects to collect on the balances. An allowance for doubtful accounts has not been provided, as it is management's opinion that losses, if any, would not be material to the financial statements. Instead, specific receivable balances are charged to expense when they are determined to be uncollectible, which is after all attempts at collection have failed.
- e) Certificates of deposit – Certificates of deposit ("CDs") represent CDs with initial maturities of greater than three months but less than one year. The certificate of deposit is carried at fair value. Interest is accrued and recognized in income when earned.
- f) Investments – The Organization follows the Not-For-Profit Entities subtopic of the FASB *Accounting Standards Codification* with respect to investments. Under this subtopic, investments in marketable securities with readily determinable fair values are reported at their fair value in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

There were no changes in valuation techniques in the year ended August 31, 2017. The Organization recognizes transfers into and out of levels within the fair value hierarchy at the end of the reporting period. There were no transfers between levels in the year ended August 31, 2017.

- g) Fair value of financial instruments – The carrying amounts of financial instruments, including cash and cash equivalents, certificates of deposit, investments, and accrued expenses approximate fair value due to the short maturity of these instruments.
- h) Endowment funds – The Organization has endowment funds with Mid-Shore Community Foundation (MSCF), which are further discussed in Note 6. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absences of donor-imposed restrictions.

Investment Policy – IRS regulations permit the Organization to indicate investment preferences for the fund; however, MSCF retains final discretion regarding the investment of the fund. The investments are administered in accordance with MSCF's investment policies determined by its board of directors.

Investment Spending Policy – Distributions are made under the terms of MSCF's spending policy for endowed funds as it is amended from time to time. The fund is managed using a total return concept of endowment management based on MSCF's spending policy rate, as adjusted by MSCF's board of directors. MSCF's spending policy is designed to maintain, and if possible, increase the real value (as adjusted by inflation) of the fund while at the same time providing a relatively stable but predictable level of fund for the Organization. Distributions may be made annually, at the discretion of the Organization, according to MSCF's spending policy without regard to the recorded principal value of the fund. MSCF's board of directors reviews the spending policy annually and approves the spending rate for the following year.

See independent auditor's report.

UNITED WAY OF KENT COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended August 31, 2017 and 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – *continued*

- i) Property and equipment – Furniture and equipment are carried at cost, or if donated, at their fair market value at the date of the gift. Depreciation is computed on the straight-line method over the estimated useful lives of the assets. The Organization's policy is to capitalize qualifying purchases over \$1,000.
- j) Revenue recognition – Contributions are recognized when the donor makes a promise to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.
- k) Contributed services – No amounts have been reflected in the financial statements for donated services. The Organization pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks. These services do not meet the criteria for recognition as contributed services.
- l) Donated assets – When the Organization receives a donated asset, it is recorded at the fair market value at the date of the gift and revenue is recorded in the same period.
- m) Expense allocation: Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services based on periodic reviews by management. Management and general expense include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.
- n) Income taxes – The United Way of Kent County, Inc. qualifies as a tax-exempt Organization under Internal Revenue Code Section 501(c)(3) and, therefore, has no provision for income tax. The Organization's Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the Internal Revenue Service, generally for three years after they were filed.
- o) Advertising – The Organization's policy is to expense advertising costs as the costs are incurred. Advertising cost for August 31, 2017 and 2016 were \$6,177 and \$6,552, respectively.
- p) Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
- q) Reclassification – Certain 2016 items have been reclassified in order to conform with 2017 financial statement classification.

See independent auditor's report.

UNITED WAY OF KENT COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended August 31, 2017 and 2016

NOTE 3 – CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk. Currently no amounts exceed FDIC limitations.

The Organization received approximately one third of its total contributions from eight sources. In addition, substantially all the contributors and patrons of the Organization's programs are located in the same geographic location and are therefore subject to local economic fluctuations.

NOTE 4 – CERTIFICATES OF DEPOSIT

The Organization holds the following certificates of deposit:

Shore United Bank - 1.24% interest, matures October 11, 2017	\$ 24,194	\$ 23,896

NOTE 6 – ENDOWMENTS

In August of 2014, the Board approved an additional \$10,000 investment in the fund. This amount was paid in November 2014.

See Note 10 for the corresponding temporarily restricted net assets.

NOTES TO FINANCIAL STATEMENTS

Years Ended August 31, 2017 and 2016

NOTE 7 – FAIR VALUE MEASUREMENTS

The Organization measures its financial instruments at fair value on a recurring basis in accordance with accounting principles generally accepted in the United States. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP provides a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3) measurements). These tiers include:

Level 1 Fair Value Measurements

Quoted prices in active markets for identical assets or liabilities.

Level 2 Fair Value Measurements

Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Fair Value Measurements

Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.
