

2018-2019 ANNUAL REPORT

Message from the President

Thanks to the generosity of so many, we are pleased to announce that the United Way of Kent County exceeded our fundraising goal of \$225,000, up from \$210,000 the prior year! Your help enabled us to continue our support of the 26 important Agencies that assist so many Kent County residents in need. Also, we funded the initiatives identified in our 2018 Community Needs Assessment (CNA). This CNA, the first comprehensive study of its type in Kent County, identified the following four areas of need worthy of focused attention:

Generational Poverty

To address this ongoing issue, two classes of the nationally successful 'Getting Ahead in a Just-Gettin'-By World' 12-week program were held.

Affordable Transportation

The lack of affordable transportation impacts many of our citizens in several areas, including health, work, and childcare. In response, we commissioned a study from the Community Transit Association of America, which identified several suggested action steps that are currently being evaluated by Delmarva Community Transit (DCT), Kent County government, and others involved in finding a solution.

Low Income Seniors

Our Member Agencies that provide resources to this important population have received concentrated attention with regard to increased funding.

Central Contact for Community Resource

211Maryland, which operates a call center in Salisbury, has been working with us to ensure that their database contains all the human service resources available in Kent County. We are now promoting that help can be obtained by simply dialing '211'.

Please visit our website (www.unitedwayofkentcounty.org) for more information about our efforts. If you, or someone you know, may be interested in making a sustained "Planned Gift", you can find endowment information under the 'Donate' button.

We sincerely thank all of our generous contributors who help to make our work possible. The 2019-2020 fundraising target is **\$235,000**. With your help and the help of your neighbors, we can reach our goal.

THANK YOU TO OUR AGENCY PARTNERS
